

Being certain that God who began a good work in you (individually and corporately), will continue His work until it is finally finished on the day when Jesus Christ returns."

Phil 1:6

On January 1st, we begin a new season of ministry within our church family. A season which promises to bring us one step closer in being a more effective tool for God to use in being His messengers to the Hills and beyond. A season which God in His mercy, grace, and provision has brought 3 new men to join the Rimrock Staff. A season which we pray is marked by an increased desire to grow in our understanding of God and hunger to be directed by His Spirit as we truly enjoy our life in Christ. Certainly an exciting time within our church family.

After the Search Team spent a year in prayer, discussion, and seeking God's leading, Steve Balsley was approved by the membership as our new Senior Pastor last Sunday during a well attended and positive meeting. A huge praise as Steve brings a heart to serve, an ability to lead, sincere desire to follow the Spirit, and intense hunger to study and teach God's Truth.

Also approved were Pat Karn and Bill Ewing to be a part of the Preaching and Adult Equipping Teams. Their part time status will offer incredible experiential wisdom, teaching, training, and insight into God's discipling process at Rimrock as they bring years of experience to the leadership team. It is exciting to see how they compliment our current staff.

As we walk into the next season of ministry, continue to bath yourself, each other, and the church body in prayer. Pray for a continual, unified focus on God's purpose and His Truth as we serve Him together and impact the mission field which God has placed us within.

"Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work in us, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."

Ephesians 3:20-21
