## What's New for 2010

It's a new year and we are excited to begin it. There have been some changes in the Middle School format and with the Middle team and we wanted to update you.

Michelle Westvig is back from her sabbatical and says that she & God had a great time. Ask her about it. Now that she's back on Wednesday nights, the Middle School team is going to be Bob Cole, Lee Rempel, Lisa Porch, Janelle Hawks & Michelle. Some nights it will be all of middle school together for teaching time, some nights the girls and guys will split.

On Wednesdays we do have a middle school hang out time from 6:10-6:30 at the Garage. We'd love to have your child come and join us. We'd appreciate you not sending them up before then, as there is no supervision. Class will usually start around 6:30.

Also, as seen below, we have a Sunday morning parent/teen class I hope you can attend.

Check out the rest of the newsletter. There are events coming up that I hope your middle schooler can attend.

If you have questions, call Michelle at 342-5373 or email her at: michellew@rimrockchurch.com

*Looking Beyond Ourselves*

### Project Nicaragua

In November, a team from REFC went to serve in the community of Asiento Viejo, Nicaragua. This is a small village of about 500 people who live in extreme poverty, yet have the joy of Jesus. Among other projects, the team supported Pastor Ricardo and his church family. One of Ricardo's great needs, to help him share Christ, is transportation. He would like to be more available to serve his community and those surrounding.

As a class, we would like to help support Pastor Ricardo, by raising money for him to purchase a **MOTORCYCLE**.

Due to someone's generous donation, we already have a headstart of \$500, but Pastor Ricardo needs at least \$1200. If students are called to it, we are asking them to bring their offering and put it in the Project Nicaragua can in The Garage.
