### Questions To Ponder

- 1) How am I doing as a child?
- 2) How does God's design involve Him always as my Father?
- 3) To be a parent I must be a child. How does that work?

### Where the Rubber Hits the Road

**Adults:** Lord, am I living as a dependent child or an independent adult?

**Kids:** Lord, am I trusting You to teach, protect and provide through my parents?

**Parents:** "Train up a child in the way he should go, even when he is old he will not depart from it". Prov. 22:6

Do I believe You can do that through me, or am I delegating that job to someone else?
